presentation to benefit the club's Scholarship Fund. It is a project that I firmly believe in, and it is I who have taken it upon myself to devote the time and energy necessary to create a spectacular musical event for all involved.

You must understand that it was the performances of two young artists, violinist McClaran Hayes and cellist Jared Blajian, at your Scholarship Winners' Recital last season which so inspired me that it led me to want to begin a unique artists program. This undertaking would involve a very intense purpose for two instrumentalists, that of performing chamber music at the young age of 15.

Jared, Macky and I have spent months working on this program for you to enjoy. It is a way for them to say thank you for the support you have shown them, meanwhile engendering more support for future scholarships. They have accepted this challenge, and are working very hard to achieve a world-class level of music making.

Most instrumentalists rarely have a chance to play chamber music at a high level until they are well into their collegiate years. This presentation is an extraordinary circumstance for us all. As well, Jared and Macky will have worked with some of the finest chamber music artists who have visited this region in addition to our own rehearsals.

It has been a professional joy and honor to collaborate with these two young artists. I truly want you to experience some great repertoire with us. Don't be left out! The program won't be repeated. Macky, Jared and I are not just playing a few pieces that we have read through a few times. Quite the contrary!

I truly want you to come and experience the benefits of your support. Not only that! After these two gifted musicians go away to college, we may have very limited exposure to their talents in the future. These ARE the brilliant young artists of the future.

Please support your Naples Music Club and the talents that you also will be supporting through your attendance.

I look forward to greeting each and every one of you!

**Warmest regards,
William**
